Section: INTRODUCTION (IN)

IN_STR Start of INTRODUCTION Section

IN_R01 Hello, I'm from Statistics Canada. We are conducting a survey under

the Statistics Act jointly with Human Resources Development Canada. The survey will collect information about children's school experiences,

parental involvement as well as any financial plans that have been made for their children's education after high school. The information you provide will assist in the ongoing development of government funded initiatives that help families plan and save for their children's education after high

school.

Coverage: All respondents.

IN_R02 Your answers will be kept confidential and used only for statistical

purposes. While your participation is voluntary, your assistance is

essential if the results of the survey are to be accurate.

INTERVIEWER: Read if CATI interview: My supervisor may listen to this call

for the purpose of quality control.

(Collected under the authority of the Statistics Act R.S.C., 1985, c.S19 and is registered under collection registration #: STC/SSD-040-75166. Personal information can be found in Personal Information Bank STC/P-PU-016.)

Coverage: All respondents.

IN_C03 If (number of children) > 1.....(Go to IN_R03)

Else (Go to IN_Q03)

IN_R03 We have selected one child at random for this survey. The majority of guestions will relate to that child. Near the end of the survey, we will ask

questions will relate to that child. Near the end of the survey, we will ask questions about all the other children in the household.

Coverage: Respondents who have more than one child, aged 0 to 18 years, living with them.

IN_Q03 I would like to speak to the parent, guardian or person who is the most

knowledgeable (PMK) about (name of child) (the child that is (age of child) and (sex of child)) and about any plans made for (his/her) postsecondary

education. Who would that be?

INTERVIEWER: If respondent is (name of child) (the selected child for this

survey), ask to speak to a parent.

Note: The person most knowledgeable, or PMK, is the parent, guardian, or person who is the most

knowledgeable about the child selected for this survey and any educational planning made for this

child.

Answer items are the current members of household aged 15 and older. Do not allow non-household

member.

Disable DK and RF.

Coverage: All respondents.
