# III. Introduction

Hello, I'm ..... from Statistics Canada.

In 1991, you participated in Statistics Canada's School Leavers Survey that gathered information on the education of young adults in Canada. We are conducting a follow-up survey to add to our information on your education and work experiences.

This survey is being conducted for Human Resources Development Canada, formerly Employment and Immigration Canada. The information we gather will help form policies that will better meet the education and employment needs of young adults in Canada.

Although the survey is voluntary, your participation is essential if the results are to be accurate.

Your answers will be kept confidential under the Statistics Act and are not affected by any other legislation.

A member of the survey team may listen in to evaluate the survey.

To ensure that I have found the correct (*read name of respondent*) could you tell me the month and year you were born?

\_\_\_\_\_ Month \_\_\_\_\_ Year from our 1991 records ( *if not a match ask:* )

What was your address in 1991?

(*filled in from our 1991 records*) if not a match, end interview.
