

FOOTNOTES FOR STATISTICAL TABLES 1995-96

- (a) Unless otherwise noted, all fees and costs are for two semesters (eight months) or 30 credits.
- (b) Additional fees are charged for specific courses which may vary with the faculty offering the course, for course materials or for student societies that are specific to a particular faculty.
- (c) Tuition fees reported were based on 12 months. The data have not been adjusted to reflect 2 semesters (8 months) because of the different nature of graduate studies which also includes a research component which is not course related.
- (d) Pre-Agriculture/Pre-Architecture/Pre-Dentistry/Pre-Engineering/Pre-Law/Pre-Medicine.
- (e) Estimated figure.
- (f) This institution offers a veterinary medicine program (DMV). Fees are generally higher for this program than fees charged for other science programs.
- (g) For the first year, then a lesser fee is charged for each subsequent year of the program.
- (h) Special fees are charged for co-op students on work terms for which credit hours are granted.
- (i) Normal program length varies depending on the year of study, but fee per credit charge remains the same. Fee indicated is for two semesters (eight months).
- (j) This institution offers an optometry program. Fees are generally higher for this program than fees charged for other science programs.
- (k) Data have been adjusted to reflect 30 credits with the exceptions of dentistry, law and medicine which have set fees based on an 8 month academic year.
- (l) Data are based on a 30 credit, eight month academic year except for the law program, which is based on an eight month academic year of 29 to 32 credits depending on the year of study.
- (m) This institution offers programs in nursing, pharmacy, rehabilitation medicine and physical education. The tuition for these programs was the same as for the science program.
- (n) Data have been adjusted to reflect 30 credits with the exceptions of law, medicine and dentistry which have set fees based on an 8 month academic year.
- (o) Tuition fees for the Executive MBA program are much higher than those charged for most graduate programs.
- (p) A higher tuition fee is charged to foreign nursing students.
- (q) Returning foreign students receive a rebate of first year tuition fees.
- (r) A special fee is charged to foreign students.
- (s) Included in student association fees.
- (t) Athletic and health service fees are included in tuition fees.
- (u) Accommodation costs are for university-operated residences and housing. Not included are: accommodations in off-campus private quarters; transportation; and personal expenditures for books, clothing, entertainment, etc.
