[r] These are all the questions I have. We will understand much more about [n]  
 [r] the way Canadians feel about elections now that we have talked to you [n]

 [r] than keep you any longer on the telephone we would like to mail [n]  
 [r] the questions to you. In order to do so I will need your name and [n]

 [n] sentiments des Canadiens envers les élections maintenant que nous vous avons [n]  
 [r] parlé , ainsi qu'aux autres personnes. [n]

[r] Nous avons d'autres questions à vous demander, mais au lieu de vous déranger [n]  
 [n] plus longtemps au téléphone, nous préférons vous les faire parvenir par la [n]

[r] J'aurai besoin d'obtenir votre nom et votre adresse pour pouvoir vous [n]
