SI_R01 **Hello my name is ... and I am from Statistics Canada. I'm calling about a study we are doing on the ways in which Canadians support one another and participate in society. The study asks about charitable giving, unpaid volunteer activities, and civic participation. Information from the Canada Survey of Giving, Volunteering and Participating will help us better understand these activities, and will be used to develop programs and services to support them.**

Your answers will be kept strictly confidential and used only for statistical purposes.

While participation in this survey is voluntary, your cooperation is important to ensure that the information collected in this survey is as accurate and as comprehensive as possible.
