**Question Name:** DBH\_Q03

**Concept:** Unfair treatment/Discrimination - Based on gender identity

**Question Text:** What was this unfair treatment or discrimination based on? - Gender identity

**Universe:** DBH\_01 = 1

**Note:** Gender identity refers to a person's internal and individual experience of gender, such as the sense of being a woman, a man, both, neither, or anywhere along the gender spectrum. A person's gender identity may be the same as or different from their birth-assigned sex. Gender identity is fundamentally different from a person's sexual orientation.

**Variable Name:** LANHMULT                      **Length:** 1.0                      **Position:** 771

**Question Name:**

**Concept:** Language spoken most often at home - Single or multiple

**Question Text:** -

**Universe:** All respondents

**Note:** Language spoken most often at home refers to the language the person speaks most often at home at the time of data collection. A person can report more than one language as "spoken most often at home" if the languages are spoken equally often.

For a person who lives alone, the language spoken most often at home is the language in which he or she feels most comfortable.

**Source:** Harmonized content.

<u>Answer Categories</u>	<u>Code</u>	<u>Frequency</u>	<u>Weighted Frequency</u>	<u>%</u>
